

Stationery and Sports Items Distribution Drive Report

1-day stationery and sports items distribution drive conducted by Malaviya National Institute of Technology Jaipur on 28th Feb 2022. This drive was conducted under the aegis of the Unnat Bharat Abhiyan program of the Government of India. The drive venue was Government Primary School Jirrota, District-Jaipur, Rajasthan, India. **Dr. Mushtaq Ahmed** (UBA Coordinator) along with Research Scholars, conducted this drive at Jirrota village.

The stationery items (i.e., notebooks, pencils, sharpeners and erasers), sports items (i.e., football, volleyball, soft balls, plastic cricket kit and skipping ropes) were distributed at the government primary school of the village. A total 100 number of stationery items were distributed to the school children. The following sports items i.e. one football, one volleyball, six softballs, three skipping ropes and one plastic cricket kit were handed over to Government Primary School Jirrota.

Some of the drive pictures were attached for kind information and perusal.
